Two new canines are now on patrol

On June 16th, Officers Brian Sternquist and Interna Kim graduated from their Canine Officer training class with their new canine partners, Taz and Ike, respectively. Both teams excelled in their class with Officer Sternquist receiving an award for "Top Dog - Scent Work" and Officer Kim receiving awards for "Top Dog—Protection and Obedience" and "2016 Top Dog" out of a class of 12 Officers. Both Officers are assigned a specially equipped and marked Ford Interceptor SUV. The SUV has extra room for the dogs and the special equipment that canine handlers need to use. Both Officers and their partners are now on patrol.
